Easel Notepad:

Other: _____

Easel Board:

Other: _____

Presentations should be some form of **hands on learning** for the children that will be attending. Children have the capability of learning more when they participate. They lose interest when they are being talked to and given so many handouts. If you wish to do hand-outs have make them to where the children will be interested in utilizing them rather than leaving them behind and causing paper waste and paper trash lying throughout the Navajo Nation. Bring your own promos for your booth.
